A black and white photograph of a cluttered desk. In the foreground, a spiral-bound notebook is open, showing a page with a grid and handwritten notes. To the left of the notebook is a pen. Behind the notebook, a typewriter is visible, with a sheet of paper emerging from it. To the right of the typewriter is a cup. The background is a dark, textured surface. The word "FACULTY" is printed in large, white, serif capital letters in the upper left corner of the image.

Changes and innovations are not new to Royall High School. This year there have been many modifications in old programs along with the addition of many new ones. One major addition was the Student Assistance Program.

The Student Assistance Program includes many different groups to deal with students in chemically dependent homes and support groups for chemically involved students. These groups were held during school, their size and how often they were held varied depending on each individual group.

Another new advancement at Royall was the introduction of the computer in many aspects of education. The students were individually taught the basics of the computer and how it can help them in their studies.

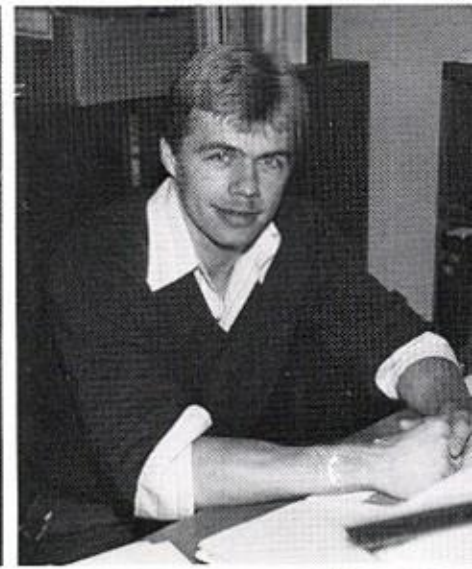

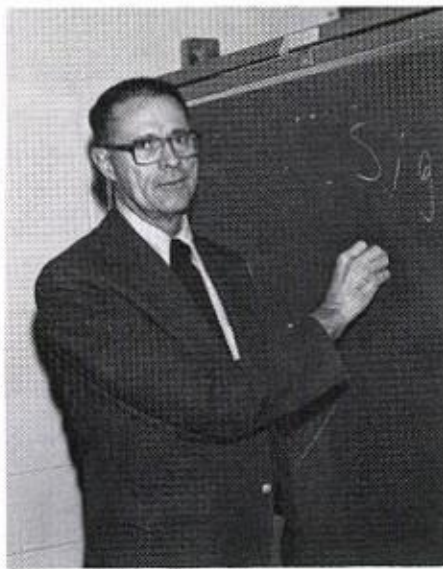

This year when the students returned to school they were greeted with brightly painted lockers, a new roof over the library and the gymnasium had a fresh coat of paint.

One addition to the track field was the building of a shed needed for storage of sports equipment. This shed is large enough for storage, restrooms, and a concession stand.

A large group of students, likely a yearbook staff or a large club, posing in front of a school building. They are arranged in many rows, with some students sitting on the ground in the front and others standing behind them. The building in the background has multiple windows and a brick facade. The photo is in black and white and has a grainy, halftone texture.

"Tune in to Health"

Space mania, is what inspired the freshman girls to base their theme for this year's Health Fair. The first nine weeks of school were busy for the girls, in preparing and decorating. Old favorites like the Cow Jumped Over the Moon educated the children on nutrition. The newest thing to hit the scene E.T. informed them they shouldn't smoke. On October 20, 175 pupils attended the event. Mrs. Strelow felt that each child walked away more aware of their health and safety.

"Come Out of the Closet", is the story of three young women moving from Ohio to New York. They rent an apartment with the neighbors across the hall who run to and from the kitchen for milk for their baby. The alias poet-counterfeiter overhead is printing money at all hours. To top it off a crabby, money hungry land lady finally discovers there are three renters rather than two. The play was a success, with a few minor incidents. One of the leads lost her voice and the policeman's gun flew out into the audience. Even with the mishaps the audience found it enjoyable.

Splittgerber, S. Brown, Crown Bearers: J. Freidl, J. Preuss; K. Burch, M. Rumppe; King and Queen: R. Garvin, J. Garvin.

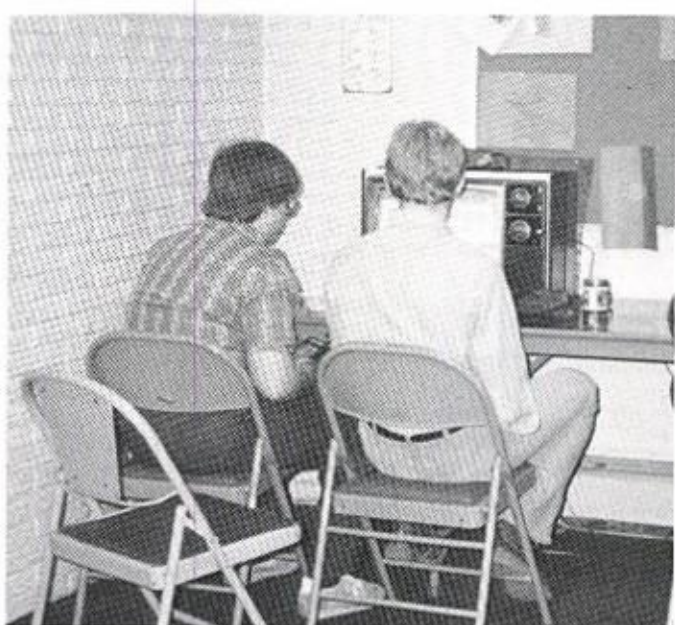

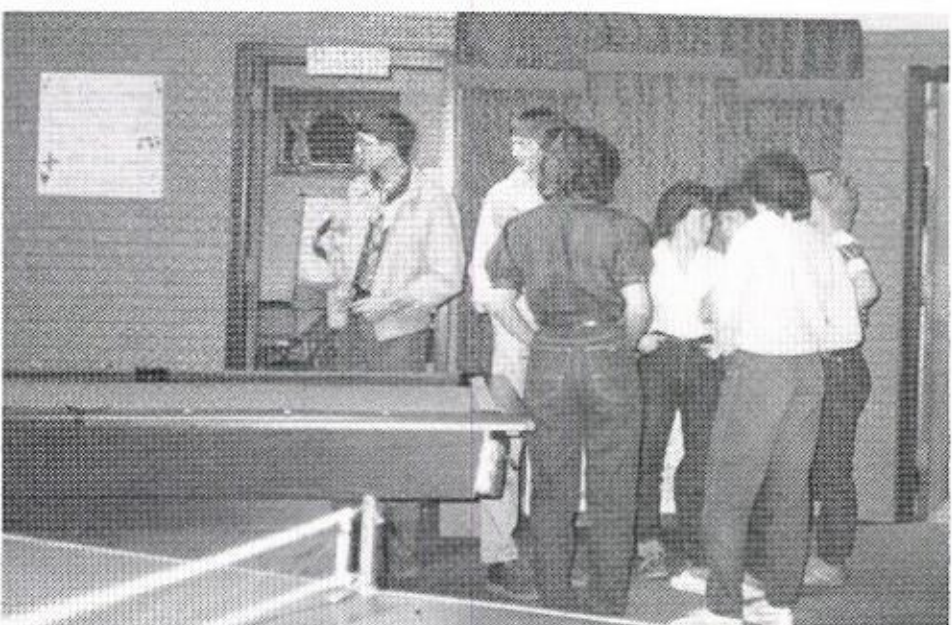

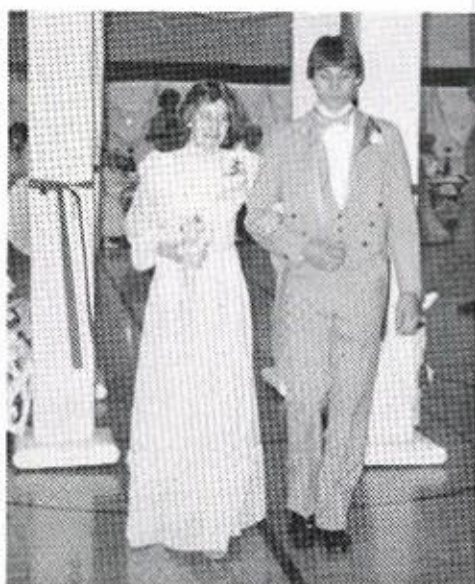

It began Thursday evening when a few members of the Junior Class started to decorate the gymnasium. With pink, burgundy, silver, and white streamers along side of picket fences, bird baths, and a center arch, the gymnasium had been transformed into a beautiful Spring Garden by Friday afternoon. The nine couples of the Junior Prom Court made the traditional Grand March to "You and I" sung by Kevin Schell and Bonni Diderrich. Following the Grand March was the Third Annual Royall Jamboree, sponsored by the Booster Club, held at the Methodist Church in Elroy.

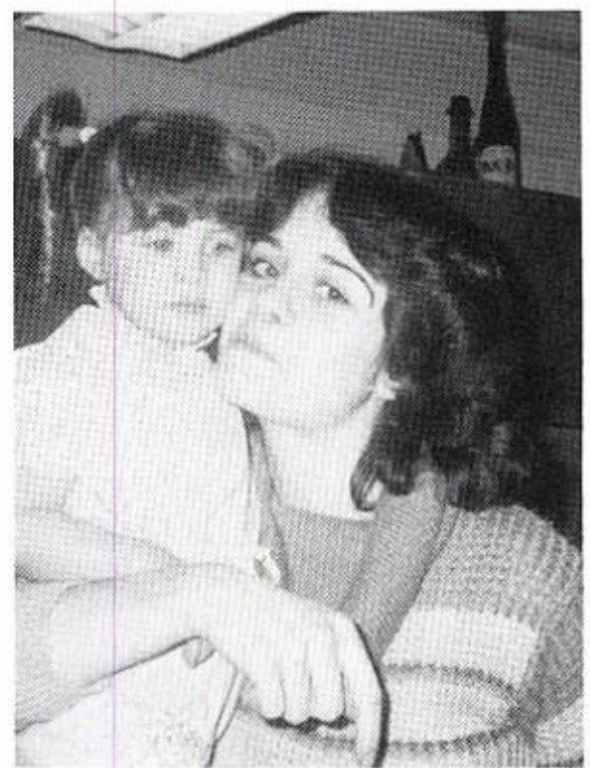

Oklahoma

For the first time in many years a musical was performed. Rogers and Hammerstein's "Oklahoma" was presented April 8-10 in the auditorium to an enthusiastic crowd. A cooperative community effort made the event possible. Elroy Civic Arts Association along with many community volunteers were responsible in making this first community musical successful. A dinner-theatre highlighted the Saturday evening performance. With the interest displayed by the audience and community, future musicals and cooperative events can be planned.

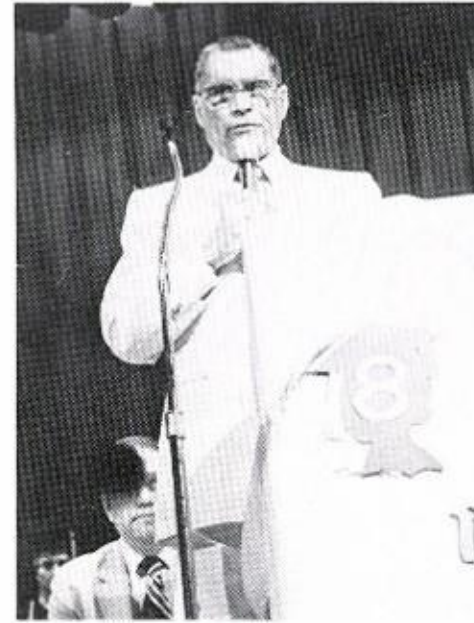

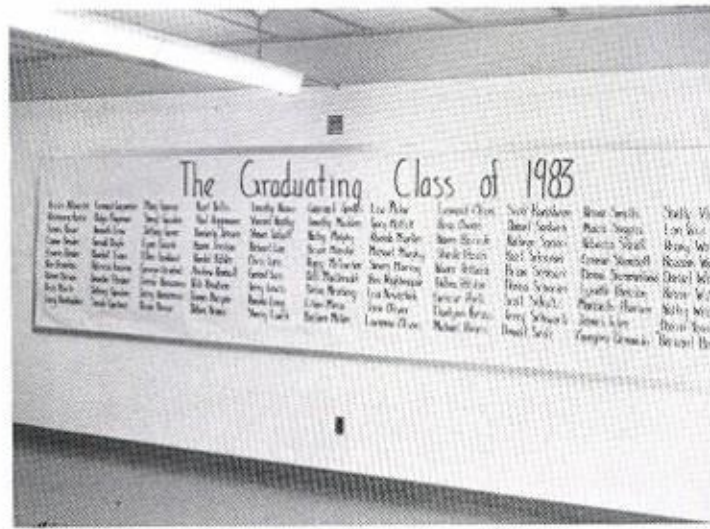

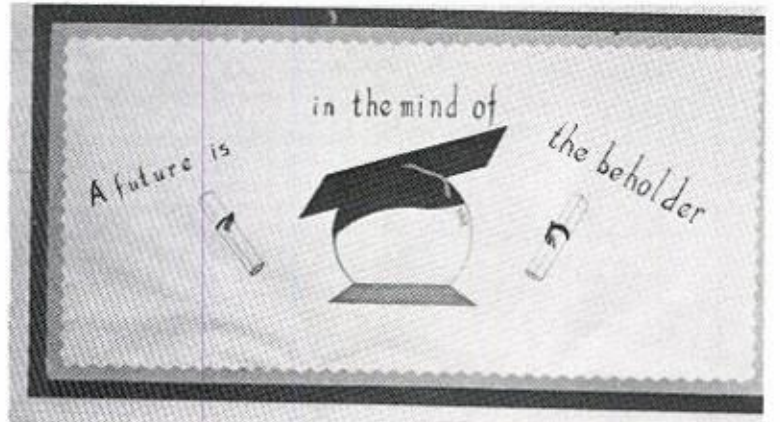

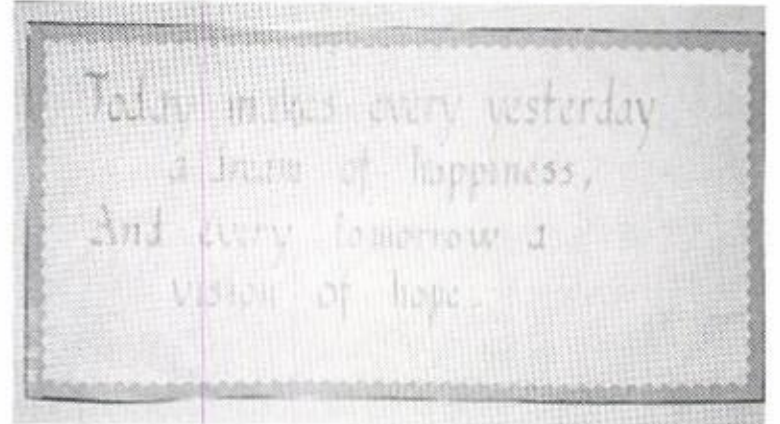

Playschool

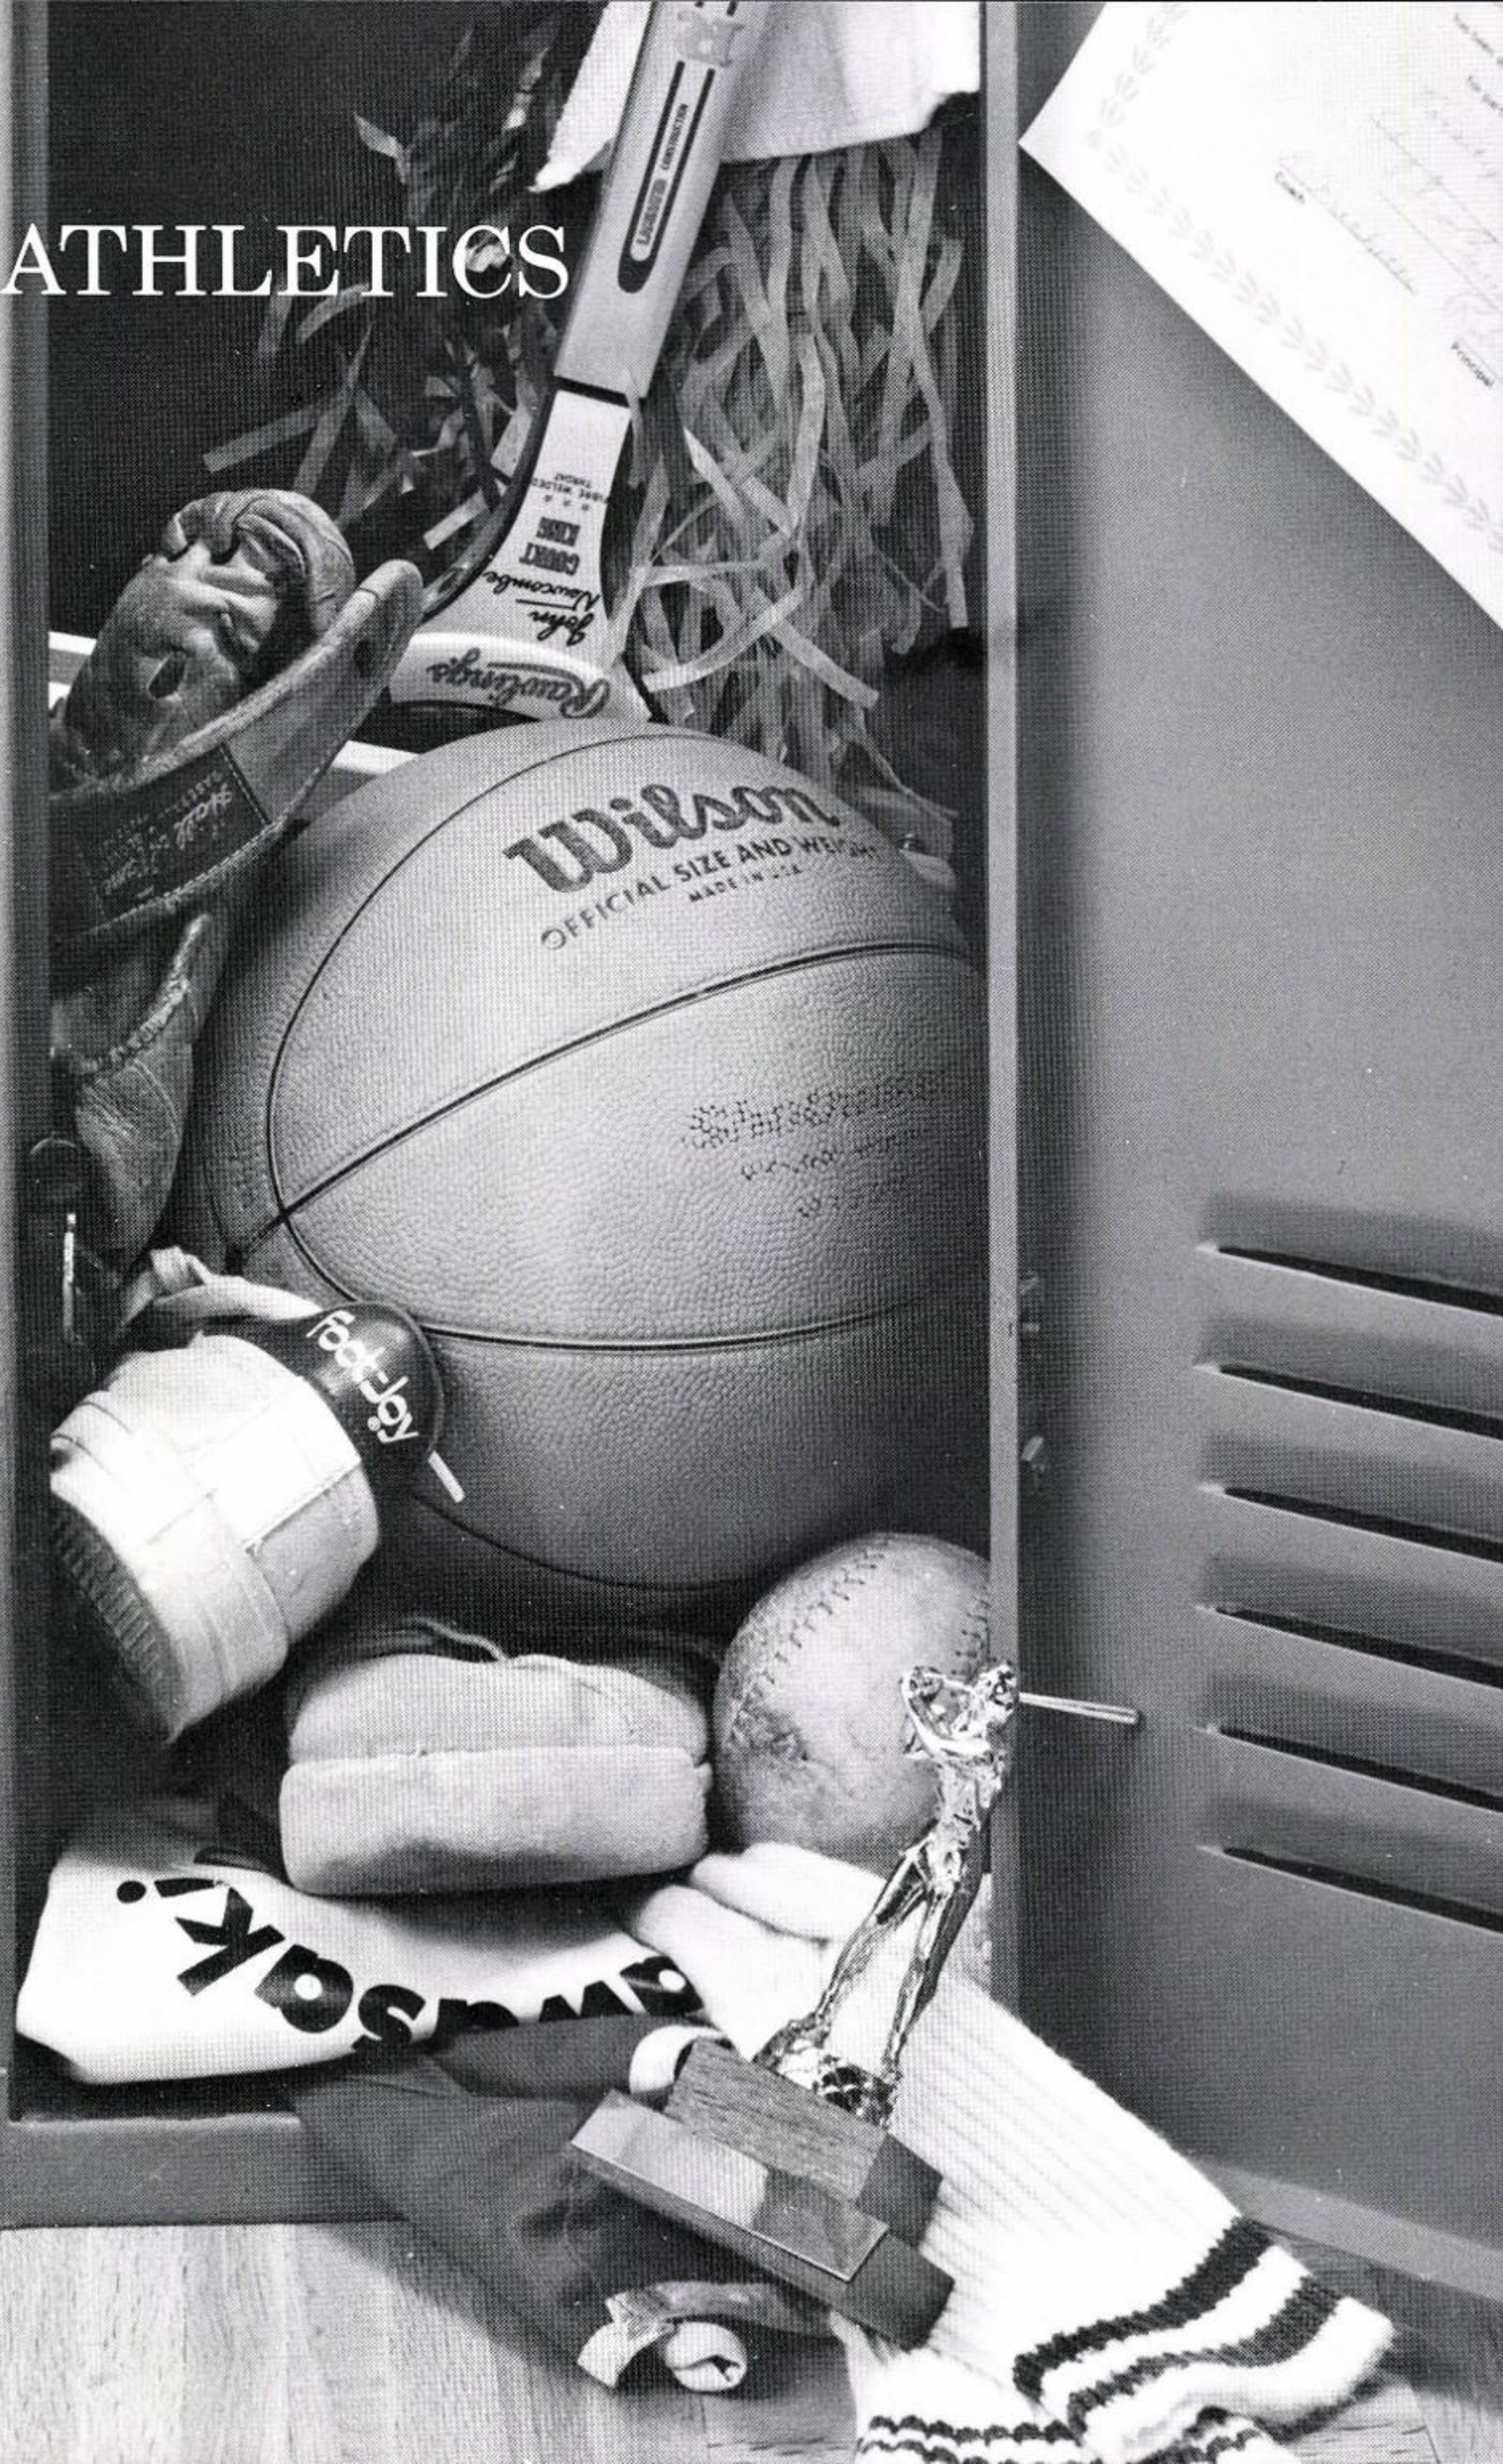

Graduation, Class of 1983

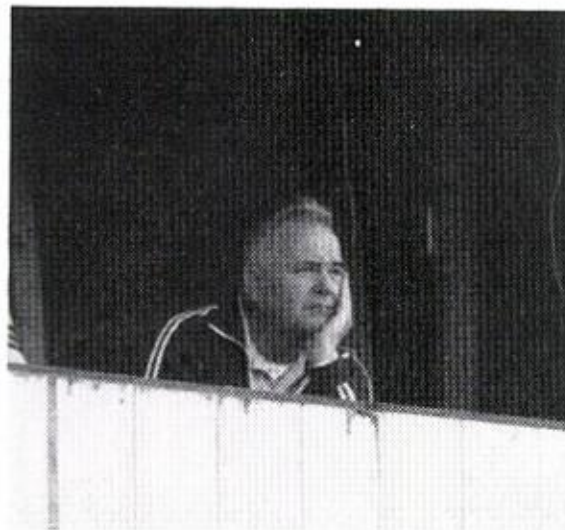

May 20, had to be one of the earliest dates on record for a class to graduate from RHS. For the Class of 1983 it was the culmination of much hard work and even more fun. Dr. Terrance Sheridan, a Kendall native, was the featured speaker at the Commencement Exercises. Kathy Sartori received the Walker Scholarship and Mike Murphy the Kendall Jaycee Scholarship. Numerous other awards were presented at the Senior Banquet on Monday, May 16, 1983. Commencement for all was something exciting, going on to college, getting married, or for some going to work.

ATHLETICS

Football

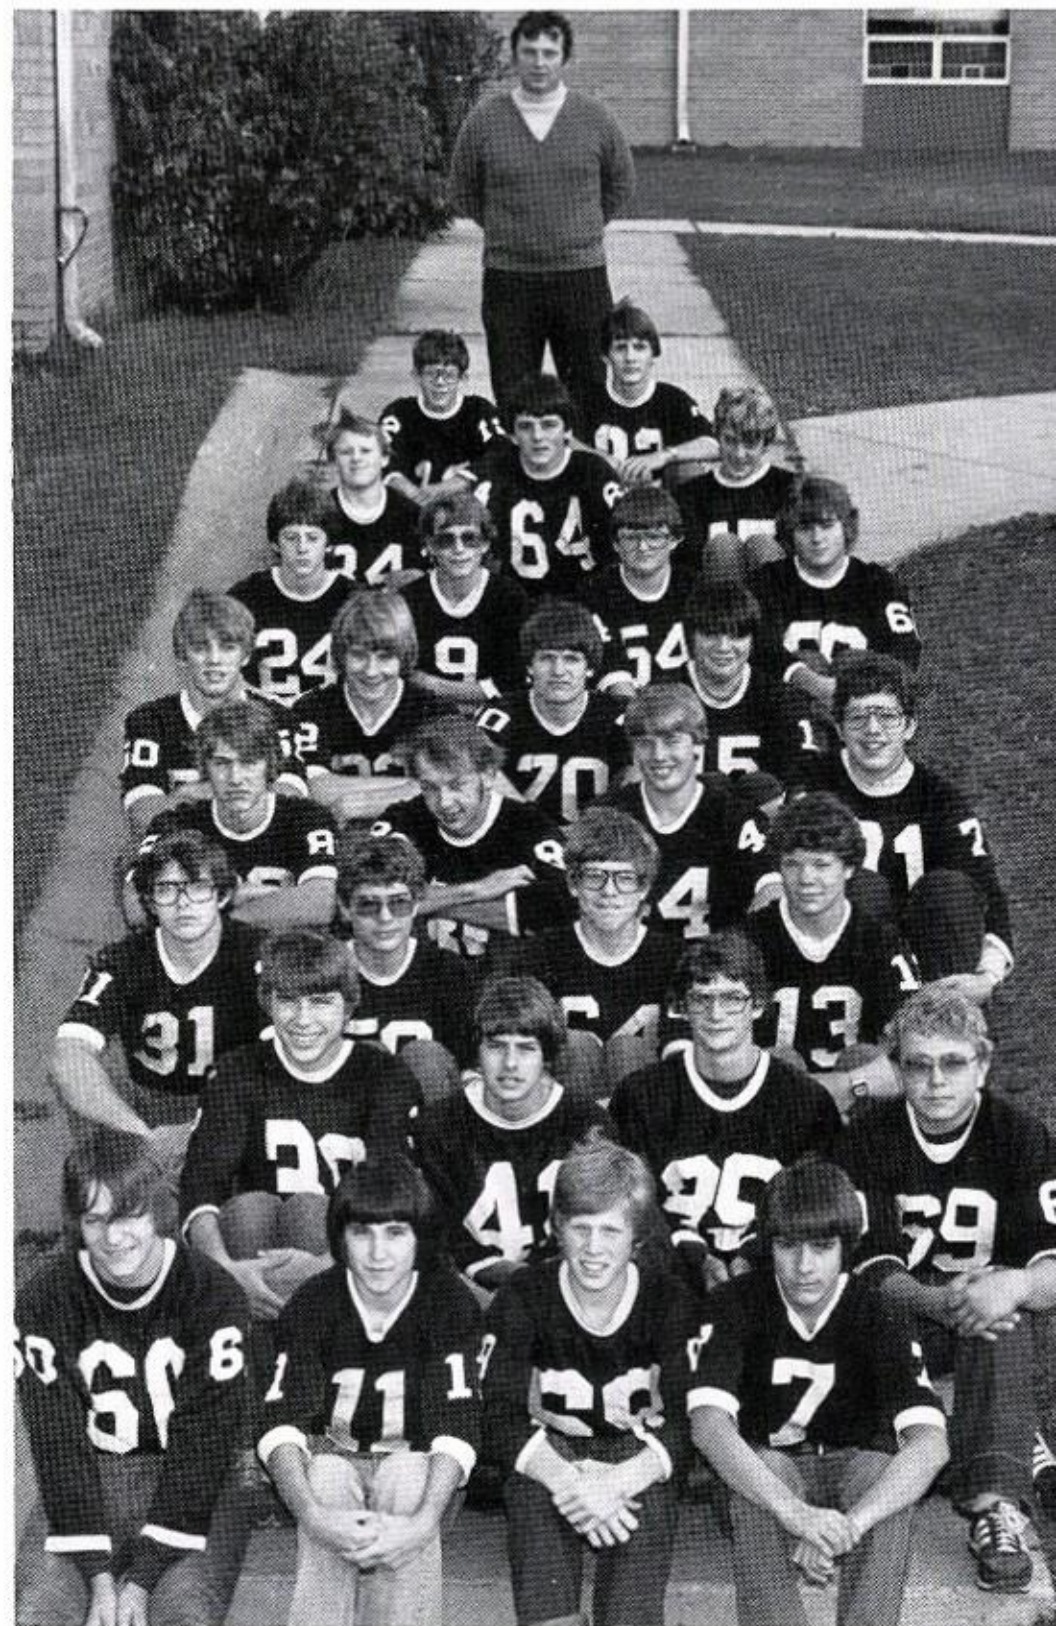

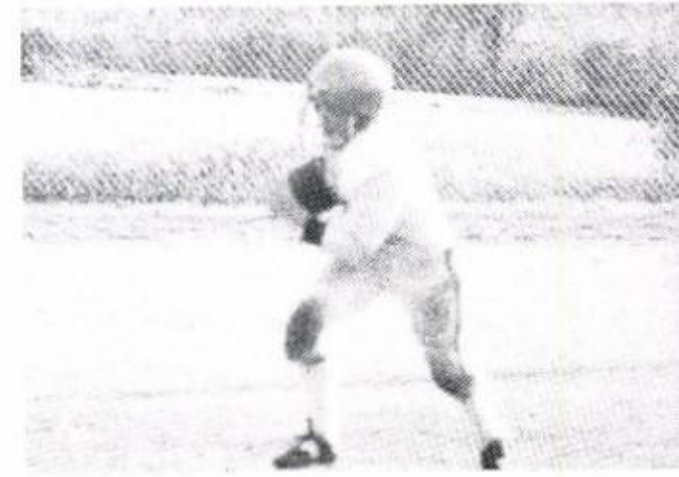

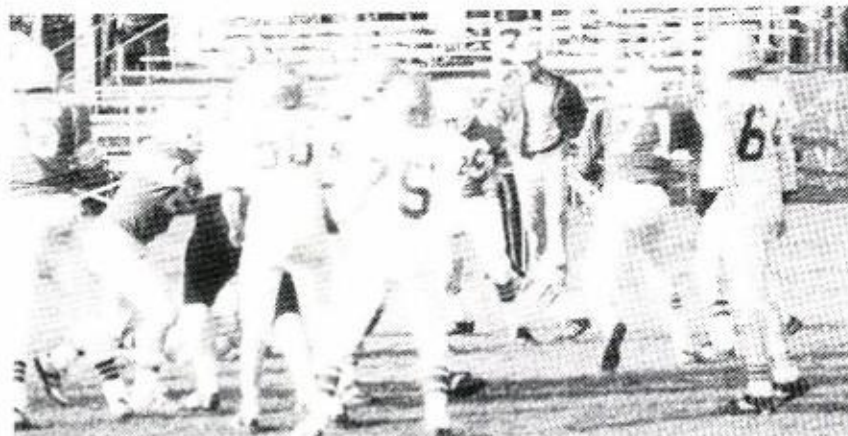

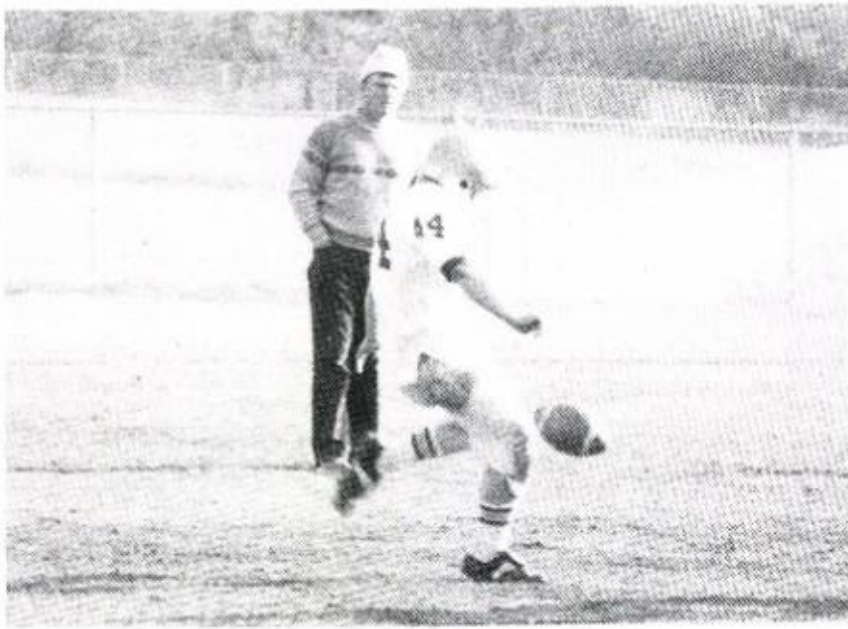

The varsity squad ended its 9 game season with 5 wins and 4 losses. It will be remembered as a season of upsets. The Panthers lost to a surprising Bangor team, but collected themselves and went on to defeat the highly noted Cashton Eagles. Defeating the Cashton Eagles was the highlight of the season. This was the first victory over Cashton in the past four years in the Scenic Bluffs Conference.

At the close of the season the team selected Mike Murphy as captain, and Mike Preuss the most valuable player. Bernie Benish was selected by the coaches in the conference to be on the All-Conference Defensive first team.

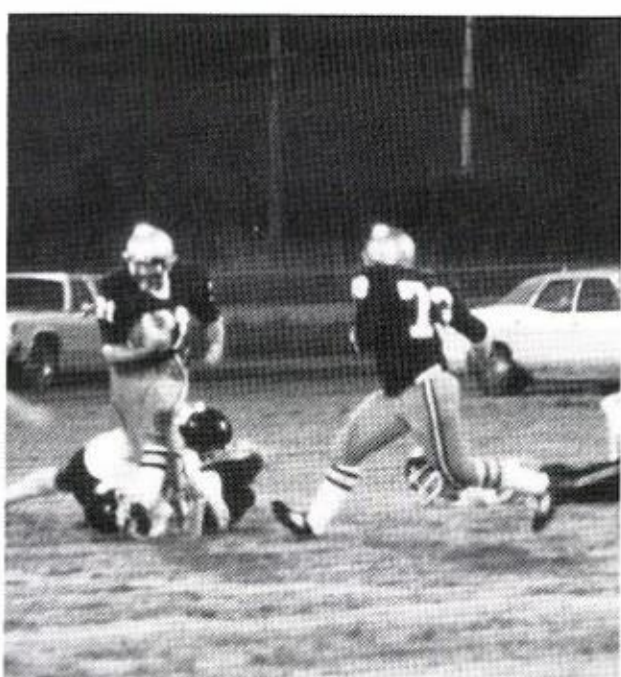

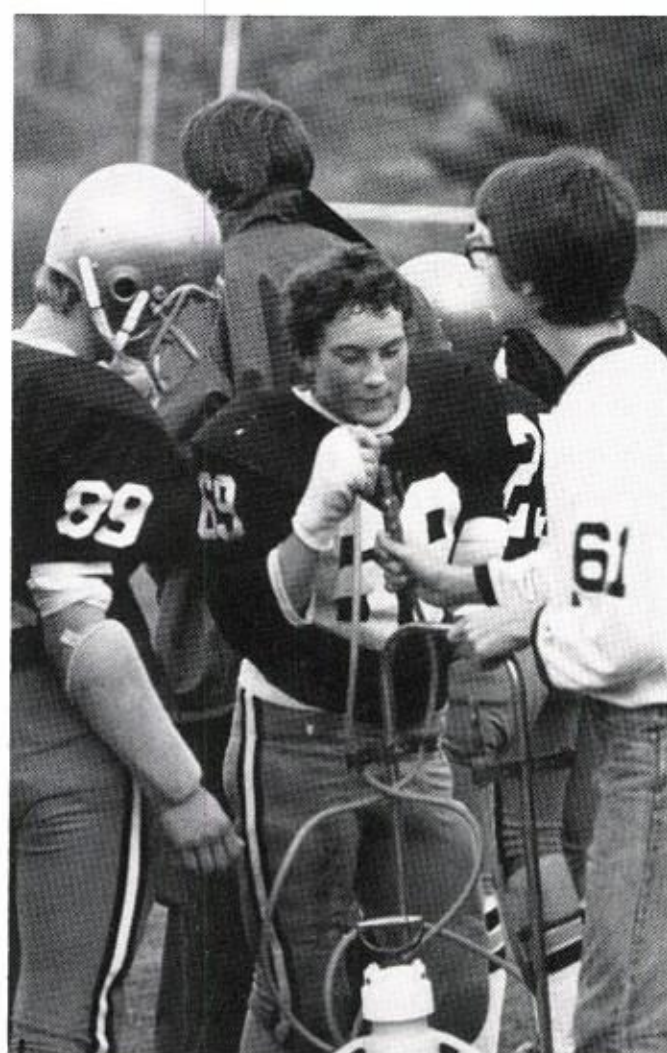

"Throughout the year it seemed as though our squad tried different ways to lose games. Should they develop consistency they will be a hard team to beat next year", concluded Coach Delong.

This year the Royall Volleyball team, under the coaching of Joyce Erickson and Captain Karen Parrish, finished their season with 11 wins and 5 losses. With only four returning lettermen, the girls had to work very hard to obtain a better record than last year. Most valuable player was a tie between Genise Prell and Karen Parrish. All-Conference selections were: First Team Karen Parrish, Second Team Genise Prell, and Honorable Mention going to Barb Miller and Karen Jordan. Manager Cathy Eno and Scorer Amy Brooks are to be commended for their efforts. The highlight of the season was the defeat of Bangor on their own court. The JV found the going a little rougher with many inexperienced members on the team. Although the seniors will certainly be missed, with so many underclassmen filling out the squad, next year should be an interesting season.

JUNIOR VARSITY VOLLEYBALL: Back row; P. Meckstroth, L. Madden, J. Strike, J. Miller, S. Wick, P. VanDeHey, J. Koziara, Middle row; D. Fowler, B. Veith, C. Eberhardt, R. Ambort, A. Winchell, S. Schnurr, A. Houzner, D. Benish, Front row; J. Thomas, G. Finch, L. Ahlstrom, K. Jordan, K. Riley

Cross Country

Being young and inexperienced, the Royall Cross Country Team didn't set the Conference on fire. With only a few returning lettermen they put forth a courageous effort. Mary Conley was again the Captain and MVP for the second year in a row for the girl harriers. Ken Crow was named Captain as well as MVP for the boy's team.

Royall's own Invitational brought teams from as far away as Richland Center. The male contingent came in 4th out of 5. Ken Crow and Peter Warsaw both ran well enough to earn medals. The Girls Cross Country Team unfortunately came in 4th out of 4. Although it may not have been one of their better meets, they never gave up. With the runners steadily improving next year's Cross Country Teams should be worth watching.

The Varsity Basketball team ended their season with a 15-5 overall record. In conference they were 12-2, sharing the Scenic Bluffs title with New Lisbon.

It was a season of close ones for the Panthers, none of the five losses were by more than 3 points. On the other hand a number of the victories were exciting one or two point games.

The team consisted of a number of strong basketball players. Scott Rueckheim lead the team in rebounds with 181. Bob Brown lead the Panthers in scoring as well as the Conference, he had 393 points overall and 290 accumulated in conference games. Randy Frye won the free-throw trophy at the close of the season shooting 79% from the line.

Bob Brown and Scott Rueckheim made the All-Conference first team. Randy Frye received honorable mention.

The Junior Varsity were outstanding in the conference once again. They finished the season with a 16-2 record. The freshman squad was impressive, winning 9 games and only losing 3.

It was an exciting season for players, the student body, and all the rest of the Panther fans.

Wrestling

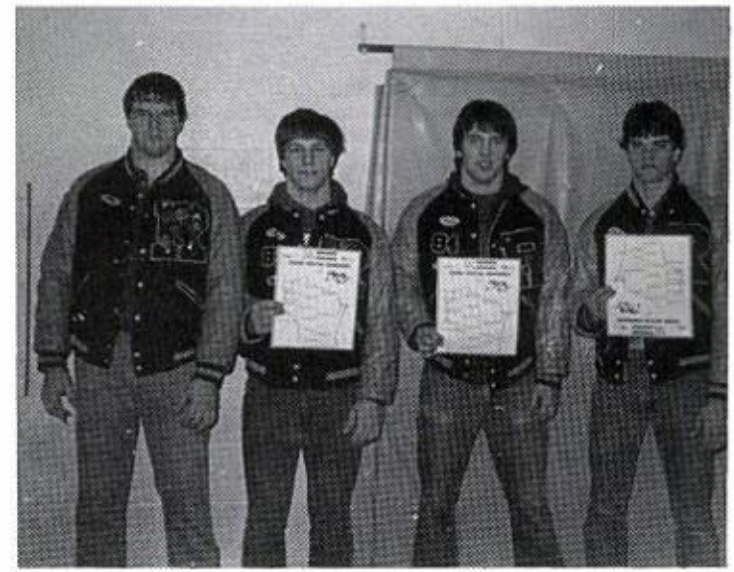

It was a year of record setting and accomplishments for the wrestling team as a whole, placing second in Conference tied with Bangor and Hillsboro. Out of the competitive and predominantly young team, there came four Conference Champions and four sectional qualifiers. Mike Preuss, a senior, was the conference heavyweight champion and qualified for sectionals. Wayne Tracy also qualified for sectionals and was the conference champion in the 185 lb. weight class. Mark Benson won the conference championship in the 167 lb. weight class, also qualifying for sectionals. Dan Green was the conference champion at 155 lbs. and Todd Macomber qualified for sectionals at 145 lbs.

The team set a Royall record for the most team pins with 91. Dan Green and Mike Preuss set a new record for most 3 point near falls, each with 17. A new record for superior decisions was set by Kurt Hollis and Dan Green, each recording 3. Finally, Mike Preuss tallied the most team points with 162.5 to set a new Royall record.

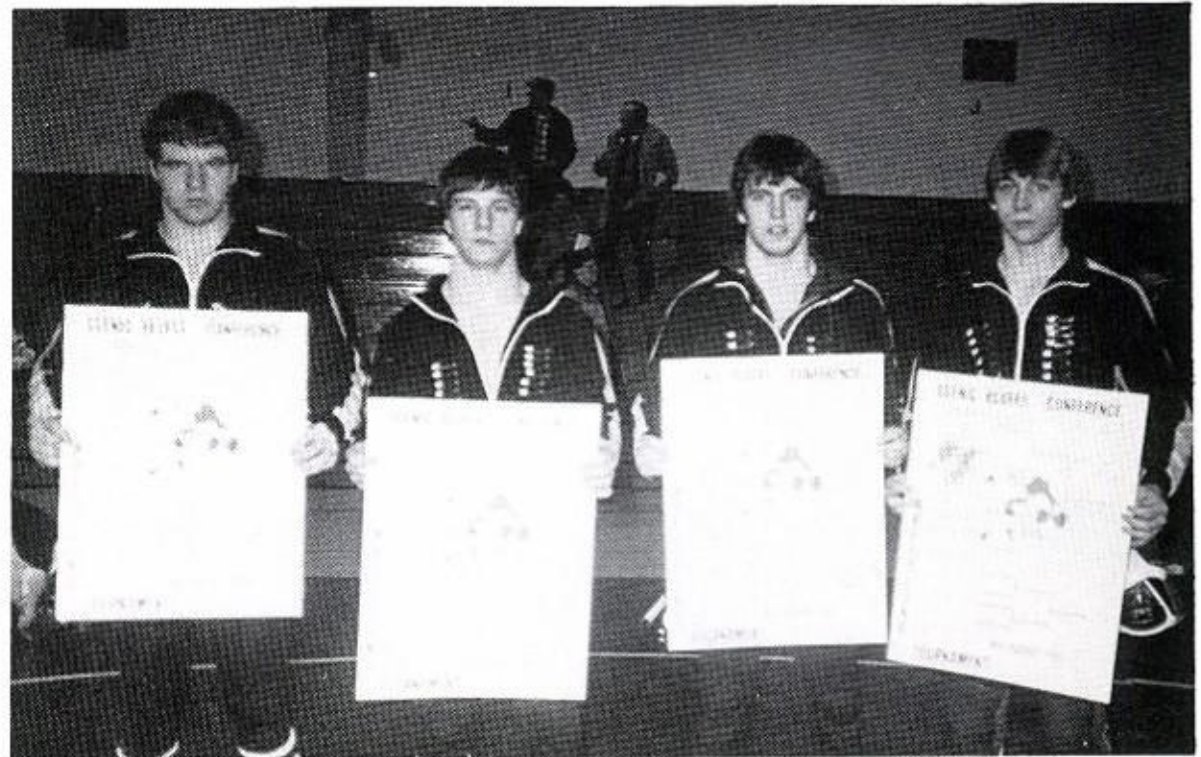

At the close of the season the team voted Mike Preuss MVP and Kurt Hollis Captain. All in all the team can boast much success, both as a team and as individuals.

Gymnastics

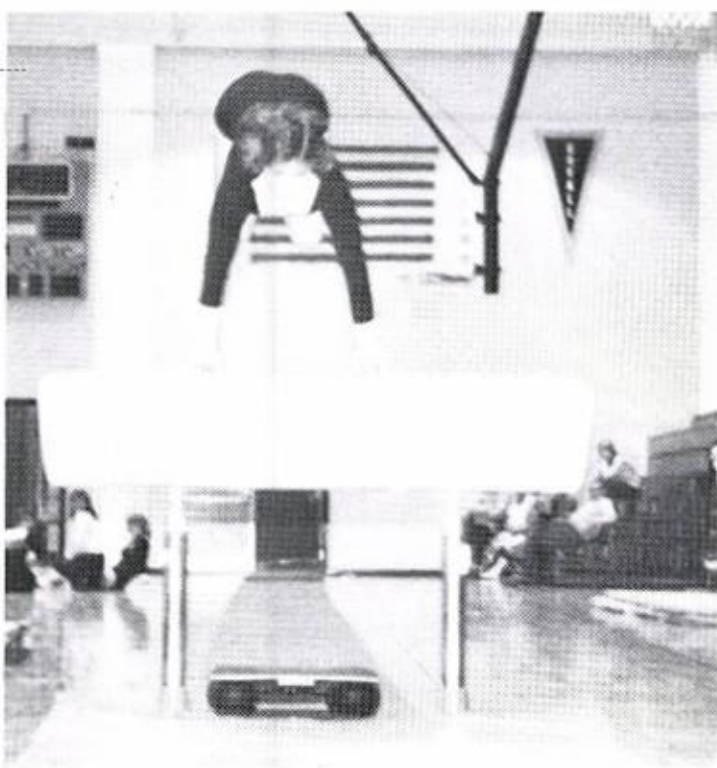

With only six returning lettermen and no seniors, the gymnastic team at Royall was young and inexperienced.

From the first meet to the final one, the team performed outstanding routines and worked together to perfect difficult skills. Even though the team was plagued with sprained ankles, pulled muscles, and shin splints toward the end, the young team did manage to win their share of the meets that they competed in.

With the help of their excellent coaches, Miss Schulenburg and Mrs. Strelow, the girls entered the conference meet with confidence and assurance. Royall's all-around gymnast, Bonni Diderrich, placed in every event. After the conference meet, with renewed enthusiasm, everyone got ready for sectionals. Royall gymnasts had a very good night when the performances of two of the girls earned them 6th places.

Back Row: B. Diderrich, B. Preuss, D. Wilde, D. Kranz, J. Thomas, J. Strike, E. Flasher; 3rd Row: Coach Mrs. Strelow, K. Jordan, K. Brown, J. Bradley, J. Preuss, T. Bruha, J. Mahr, R. Girls Basketball

This year the team showed supreme effort yet they were not able to overcome many of their opponents. The girls were led mainly by two Seniors, Karen Parrish and Genise Prell, they were selected as Co-Captains and Co-Most Valuable Players. Genise averaged 9.8 points per game, was the top rebounder, and the top all-around offensive player. Karen averaged 10 points per game, had the top defensive stats, and was the top all-around defensive player. Karen Parrish also made first team all-conference and Genise Prell received honorable mention all-conference. The rest of the team also played well as nine letter-winners will be returning to the team next year.

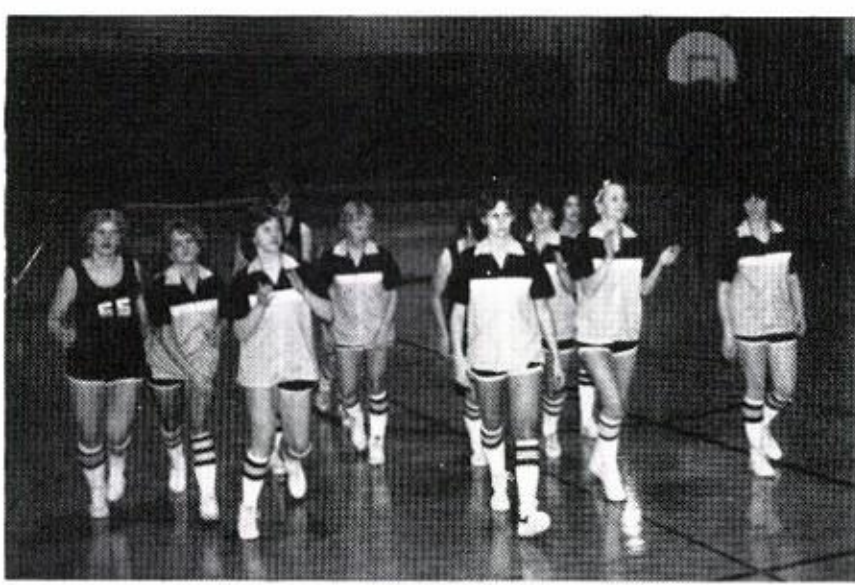

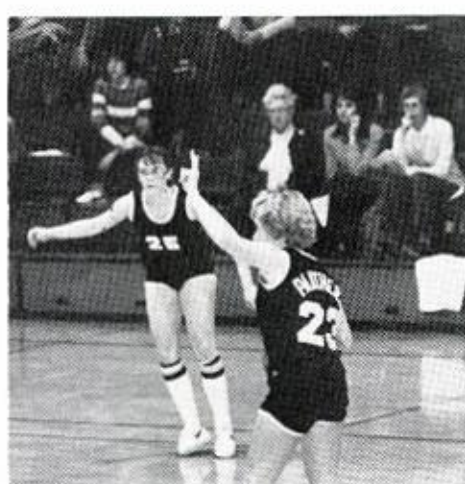

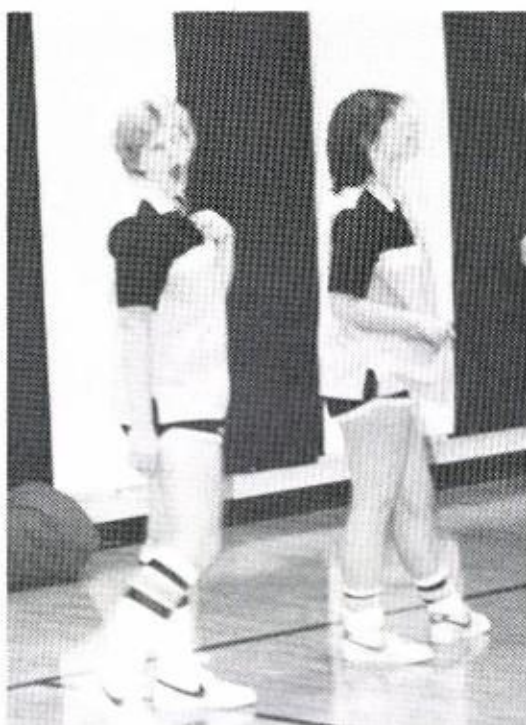

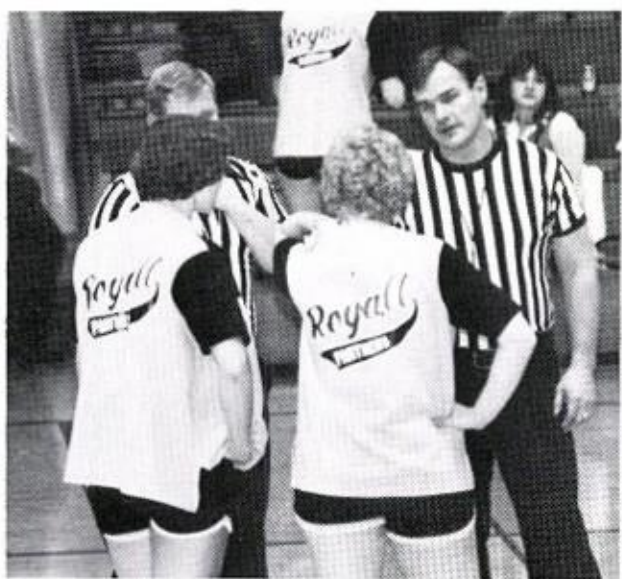

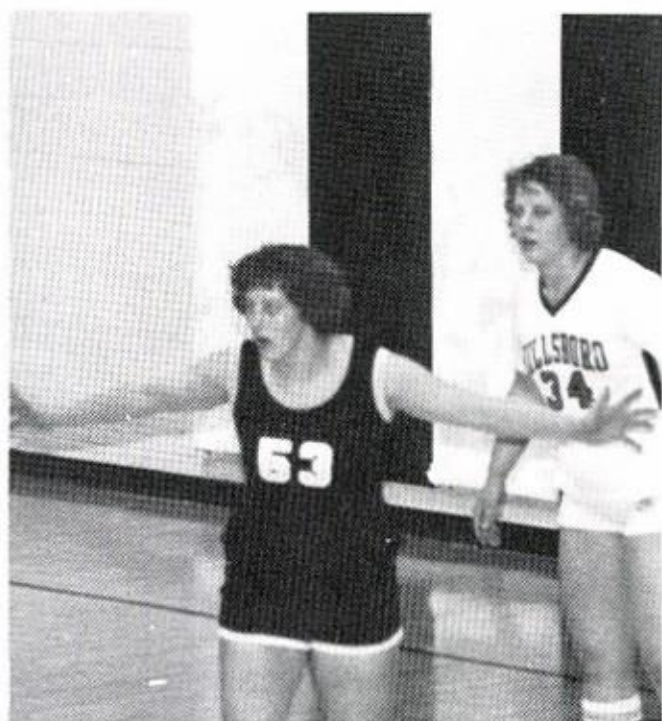

Back Row: L. Ahlstrom, L. Britzman, G. Arndt, S. Wick, L. Schendel, B. Russell, J. Miller. Front Row: A. Winchell, D. Fowler, K. Riley, B. Veith, K. Schachtely, D. Leis, A. Hounzer, C. Lewis.

Boys' Track

The predominately young track team had a very successful season. They placed respectably in all the invationals where they participated finishing high in the standings. The team placed 2nd at the Walker where nine other teams competed. At the Westfield Invitational, the Panthers placed 4th, a good finish considering the other tough Class B schools who were present. They also placed second at the Merrick hosted by Royall. The freshmen and sophomores were impressive at the Walker Junior Meet as they came home with the 1st place trophy. Records were shattered this season by the relay teams as well in the triple jump. Dan Green and Steve Murray were named Co-Captains and Dan the MVP.

Girls' Track

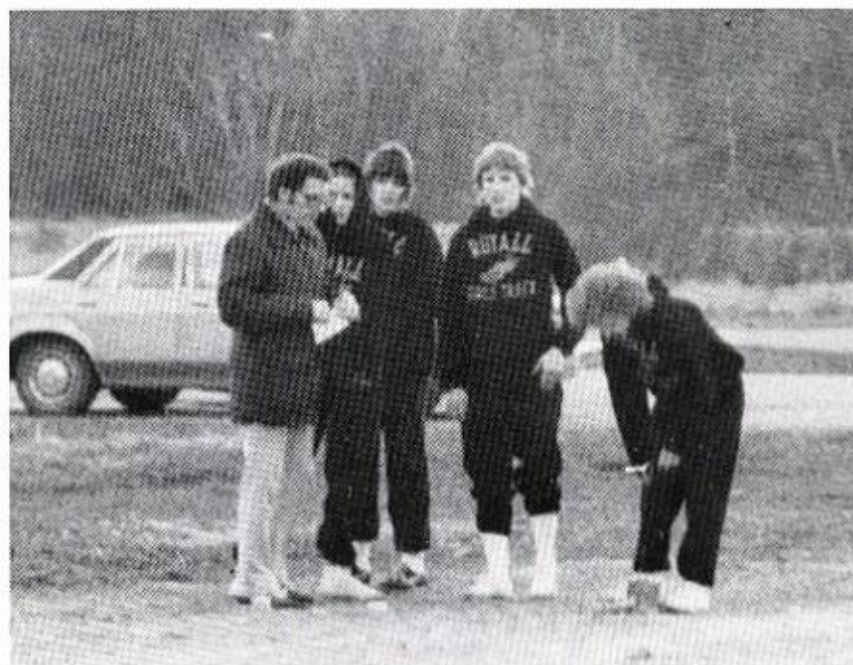

Although the girls harriers were young and inexperienced, they performed very well under their new coaches, Mrs. Erickson and Mr. Brekke. A new event, the triple jump also added to the excitement.

At the Conference Meet, hosted by Royall, the girls finished a respectable 4th out of a field of 7. The 800 meter relay along with the 400 meter relay both placed 1st at this meet. Rene Kozloski, Peggy Maratalock, Tammy Olson and Lynette Thorson were in both events.

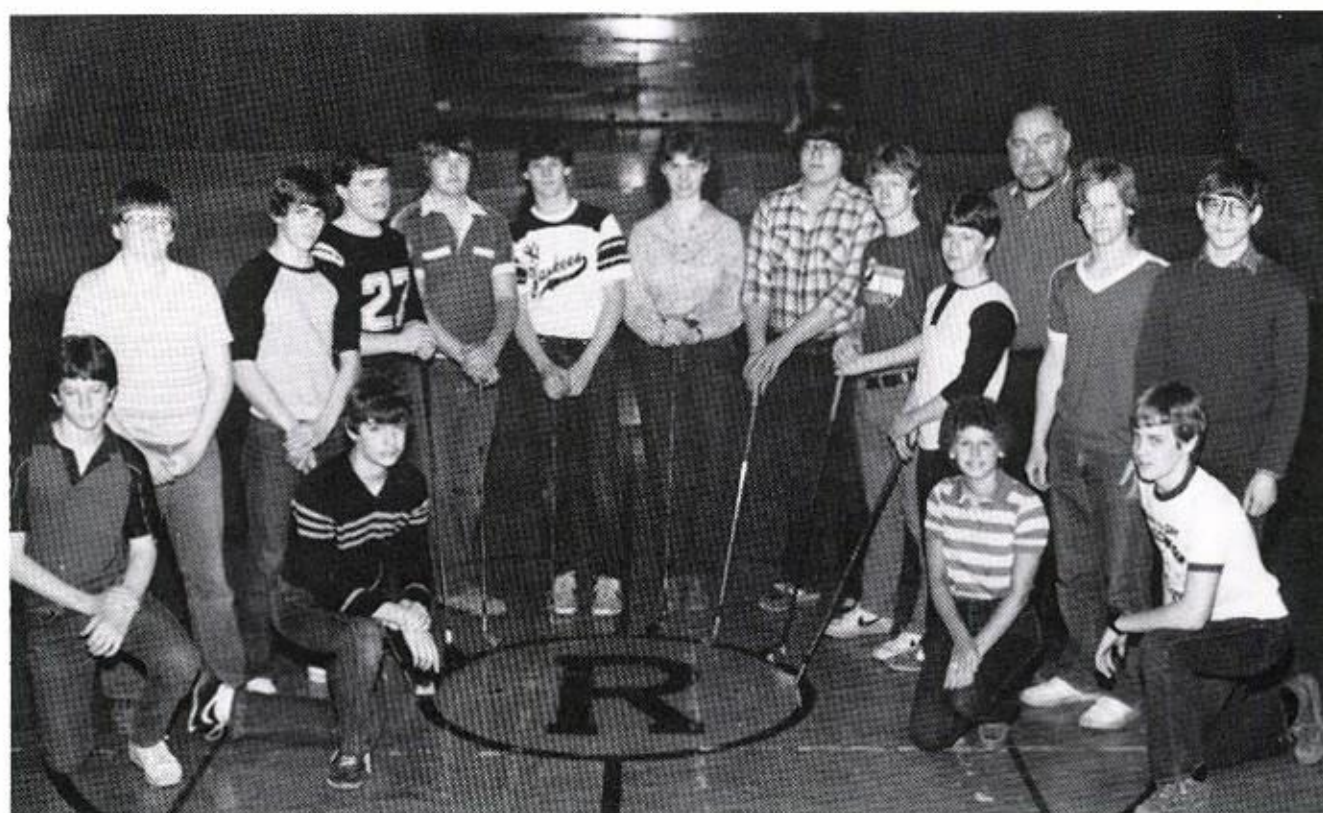

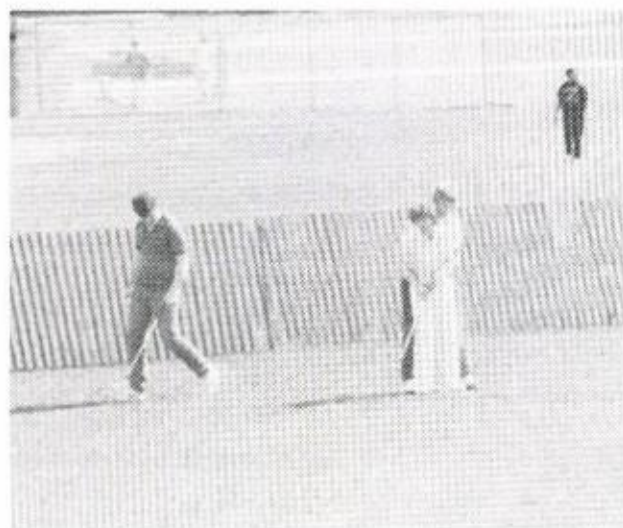

The team concluded their regular season with the Awards Banquet. Kathy Sartori was elected as the Captain and MVP was Patty Finucan. Although these Seniors will be missed, the performances demonstrated by the youngsters on the squad will make for an interesting future.

Varsity Baseball

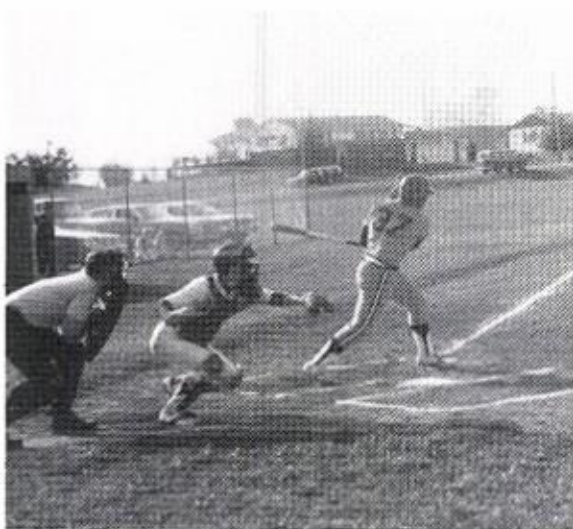

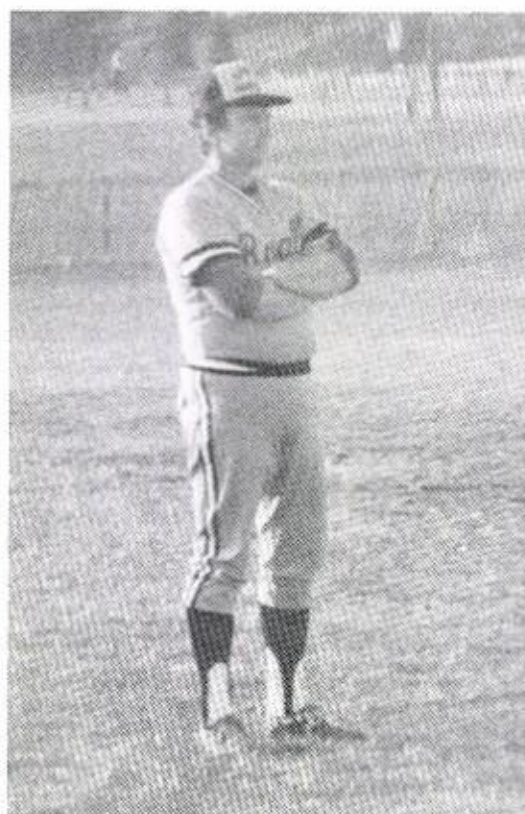

Although the weather was anything but Spring-like this year's baseball team had a nearly flawless season. Their record of 13-1 was one of the best in recent years. Superior hitting combined with exceptional defensive play proved to be the winning advantage for this year's squad. Unfortunately they couldn't make it 3 in a row when they lost to New Lisbon on May 20, 1983.

John Garvin was selected the MVP and earned the Batting Championship with a .489 average. The JV squad also completed another fine season and Ron Murray was selected MVP and Scott Gruen was the Batting champion with a .393 average.

When the girls' softball team took to the field this year they were the returning Champs. They had hoped to make it 3 in a row, however, when this was denied, they were forced into the spoilers role with losses to Necedah, New Lisbon and Wonewoc. In the final conference game of the season they were able to avenge an earlier defeat at the hands of Wonewoc, permitting Necedah to be the Champs. Rhonda Mueller and Heidi Coldren shared the hurling duties and a balanced hitting attack led by Seniors Karen Parrish and Genise Prell, along with Kathy Anderson and Robin Michalski provided a strong offense. Karen and Genise were selected MVP and Captain, respectively by their teammates.

A new twist to this year's Royall Panther Marching Band included Elroy, Kendall and Wilton eighth grade junior band members. These young members helped contribute to the size and sound of the Marching Band, as well as filling out certain sections that were depleting, caused by the graduation of seniors.

Royall's Concert Band was also increased in size, thanks to the 25 eager freshman who entered during the 82-83 season. Royall band students also worked very hard on the contest music performed at Hillsboro. They were rewarded for their efforts by receiving many firsts.

Marching Band was always on the move

Down in the vocal music department things begin happening on the first day of practice. Performing groups are Acappella, Swing, Mixed, and Royallettes, all of which have obtained an increase in members. The activities for this year's vocalists were the Pops Concert, Christmas Concert, and performing for the Lions and other organizations. The year's cheese and sausage money raiser was not as big a success as we hoped, but we did well. All in all the vocal department has seen a wide area of growth in numbers and experience.

On April 16, over 40 students competing in 31 different musical events qualified for the State Music Contest held in Madison on May 7. To qualify for the state contest, the student must receive a starred first in his or her particular event at the district level. The district contest was held in Hillsboro this year.

Mr. Ebberts and Miss Tranchita have been working with the students on their music since the beginning of the year. The students have put in many long hours of practice to make their music perfect, and it paid off.

"Minneapolis Here We Come!" That is what thirty-eight Future Homemakers of America said on June 2 after a full year of fund raising activities to finance the trip. Selling products from the Lincoln House Catalog was a very successful endeavor for this group. Concession sales were expanded to include track meets and girls' basketball games at home. A pizza party, bowling and Christmas caroling were major events for the year. A number of members continued the buddy program with neighboring Edgewood.

Student Council

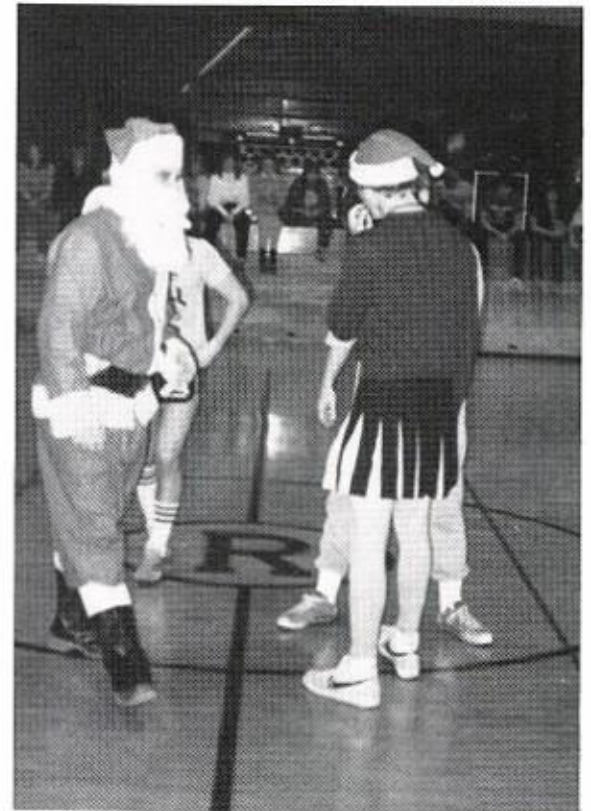

Student Council once again busied themselves with the endless chores associated with running student government. Co-sponsoring Homecoming and the school Christmas party kept them extremely busy. They also attended the Fall District Workshop in Richland Center and the Spring Business meeting in Baraboo to become more familiar with the working of student politics. An added innovation was the election of Class Officers and council members in the Spring rather than in the Fall which made for a smoother transition.

Although the Forensics Team wasn't exceptionally large this year, Royall was privileged to send one member of the team. Ann Thompson, in the category of Prose Reading, to state where she received an A. The Math Team, which appears to be growing by leaps and bounds entered contests in Plattville, Richland Center, LaCrosse and Madison as well as hosting a meet at Royall. The Usherettes continued to serve the school well as hostesses by passing out programs at basketball games, music and drama events.

Pub Class

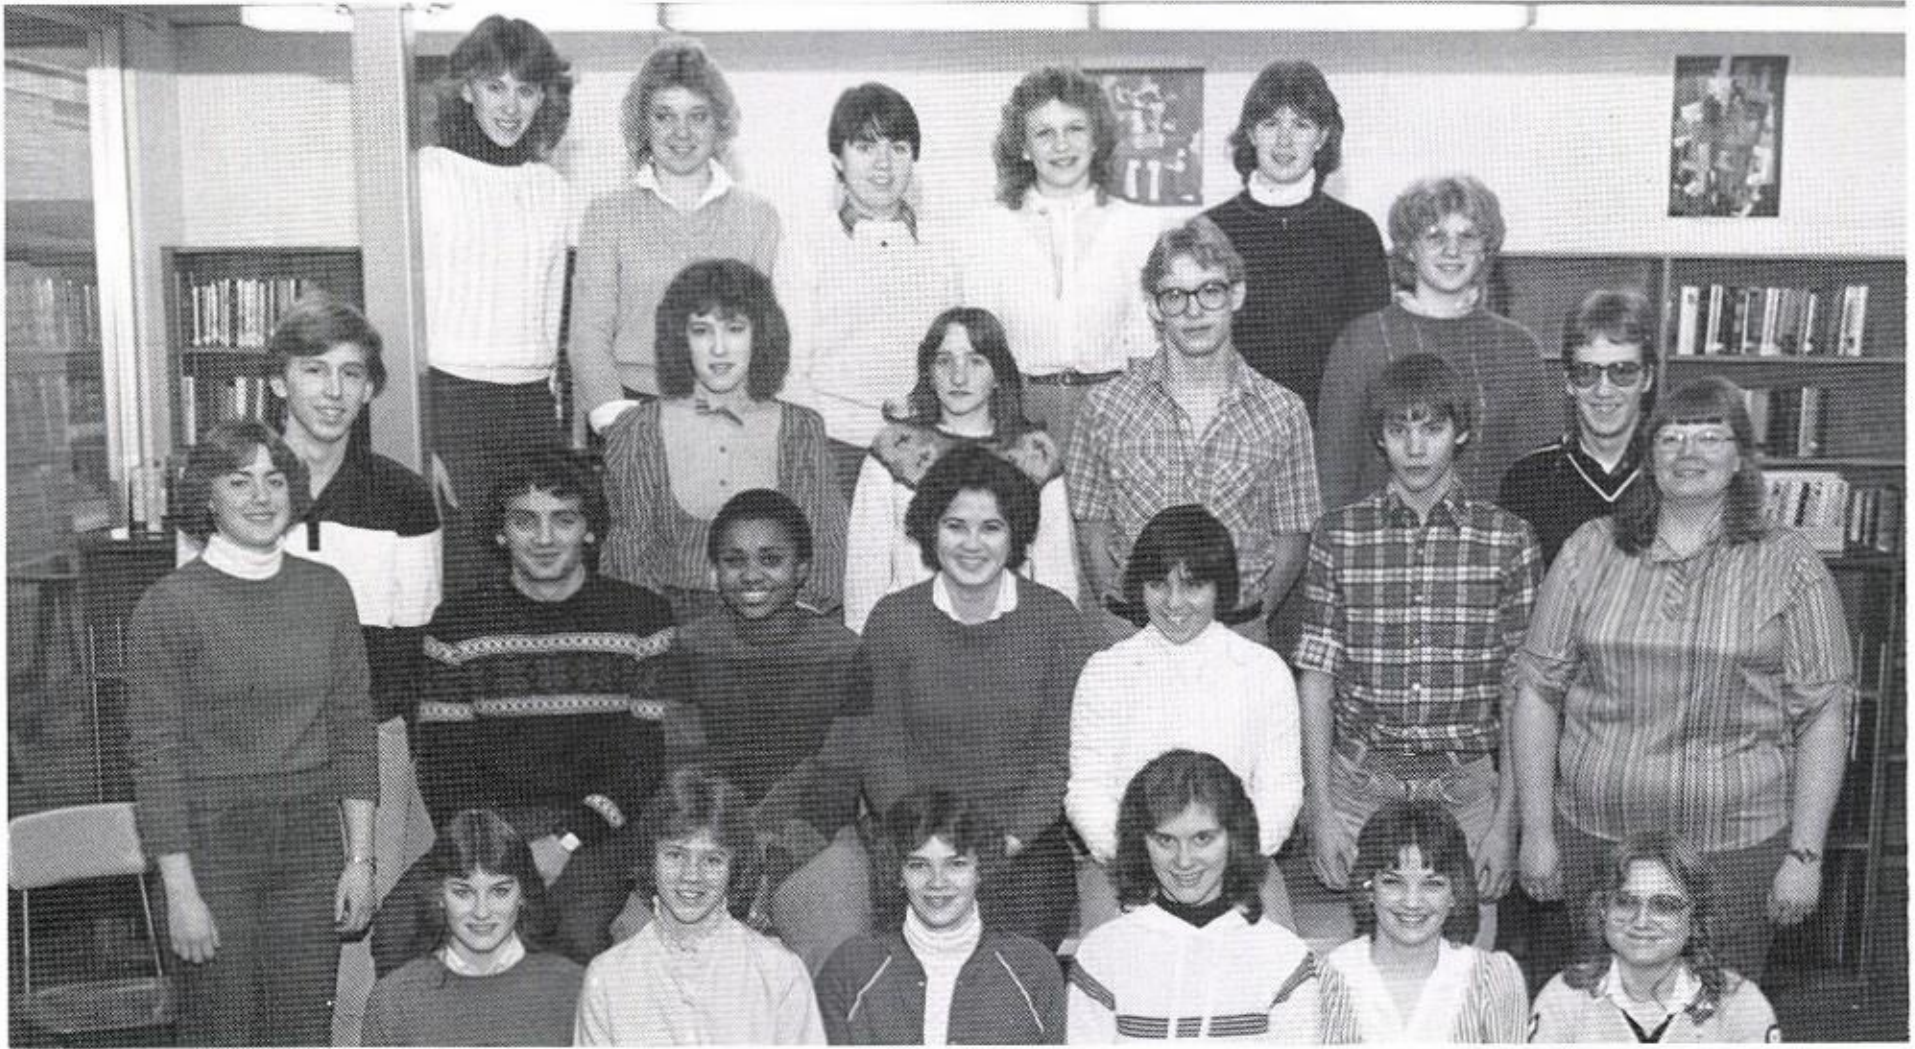

The most significant event for the Publications Class was a change in rooms early in the year. The larger area made it possible for students to work during study hall time. Fund raising efforts were successful as the class sold photo packets, shirts, concessions, Memory Mates and old pictures. With the help of two new Smith-Corona typewriters the class was able to undertake a new responsibility of a District Newsletter. A change in publishing companies for the yearbook also brought fresh life to the book. Students will be attending a yearbook workshop this summer to enhance the skills already learned this year.

From Chile came Lilian Meza Who stayed at the Len VanDeHey home. Ellen Goddard, from Barbados stayed with Floyd Prell's for nine months, and Michael Basharian's for the last three months. CLASSES

Class Officers

Juniors: J. Garvin, Vice President; P. Martalock, Secretary; T. Ness, President; L. Finnigan, Treasurer.

Sophomores: D. Waterman, Treasurer; J. Mahr, Secretary; D. Green, Vice-President; L. Madden, President.

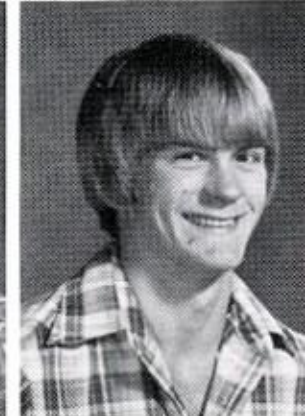

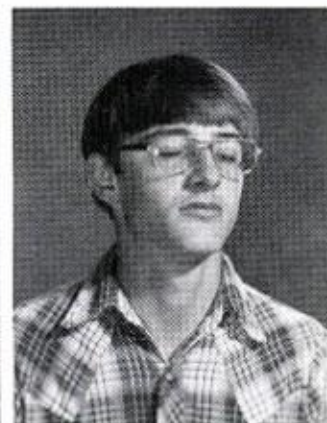

Freshmen: C. Payton, President; A. Preuss, Vice-President; A. Tracy, Secretary; S. Schnurr, Treasurer.

At the start of the year, each class elected their four officers. The juniors, returning to Royall for their third year, apparently had the most spirit, shown by winning the Homecoming spirit trophy. The class, along with advisors, Mr. Strelow and Mr. Bowersox, worked hard for their big event- the Junior Prom.

Sophomores, second-year students in high school, were starting to get in the swing of things. Mr. Dougherty and Miss Post were their advisors. Their major fund-raiser was the selling of jerseys.

Last, but not least, the freshmen first entered the halls of Royall on Friday, August 20, for an introduction to high school life- Freshmen Orientation. Mrs. Erickson and Mr. Preuss, the class advisors, assisted them throughout the year. After learning what side of the hall to walk on, they adjusted quite well to Royall High School.

As in the past a very important part of "The Panther" is the businesses who help to support it financially. This year the support was overwhelming.

One new innovation of this year's advertising patrons are the highly respected farmers, who play a vital role in the support of the communities.

From selling advertising we were able to provide a true historical record of the 1982-83 school year. We appreciate the fine generosity exhibited by members of our communities. The staff sincerely thanks them for all of their support, financial and moral.

As I look back over the countless hours of planning and preparation put into the 1983 Panther I know without a doubt it has been well worth it.

This year could be considered a new beginning for the yearbook, which meant more work for the staff in getting used to the new ideas and changes. Some of the many changes were that Yearbook companies were switched. Color has been added to one of the more memorable events, and we have greatly enriched the advertising section.

A few very important people have played a large role in the success of this book. Special recognition should be given to Fehrenbach Studios and Mr. Strelow for the photography used in this edition. Miss Schulenburg spent many hours showing me what to do and how to do it. Pat Hickey's encouragement was certainly helpful and kept us going. Also, I would like to thank Patty Finucan, Genise Prell, and Shelly Vlasak for all their help in getting a large part of the Panther designed and put together. One other group that I would really like to thank is the rest of the Panther Staff for their extraordinary dedication and perserverence in meeting our deadlines on time.

We feel that we have covered Royall High School as we saw it and we hope we have been able to preserve many memories for you for the years to come.
